Subject: Microsoft Settlement

Dear Concerned:

I believe that the proposed settlement between Microsoft and the US DOJ DOES NOT SUFFICIENTLY PUNISH Microsoft Corporation for past illegal behavior. It also DOES NOT PROVIDE A SUFFICIENT DETERRENT to future like behavior. If approved Microsoft will know that it can continue to bury potential competitors with monopolistic business practices with no fear of more than a slap on the wrist from those charged with protecting the American public from this sort of behavior. ...s.
